

Parents, Students Friends Invited To Open House

Visitors to Santa Ana College Open House tonight will be welcomed at refreshment tables in the Student Union and will be conducted on tours of the campus, starting at 6:30 o'clock.

Student service clubs, the Knights, and Las Doncellas, the faculty, and the Faculty Wives Club will conduct parents of Orange County seniors, SAC families, and college friends on the tours.

Wives of Orange County school officials have been invited to assist at the refreshment tables, Mrs. Harry Jackson of the Faculty Wives; Mrs. Gail S. Smith of the faculty, and Miss Deanna Kauffman, Associated Student social commissioner head three host groups of the Hospitality Committees.

Featured entertainment for the evening of Open House will be the Spring Concert of the College Choir and String Ensemble, and the College Players in "The Wingless Victory."

AWS Display

Visitors will see an exhibit of SAC Associated Women Students activities in room G-77, administration Building. Scrap books, decorations and other art work that the women's organizations on the campus have contributed to social affairs will be on display.

Merchandising art will be exhibited in room E44, including advertising signs, placards, and counter arrangements.

Paintings, photographs, and architectural drawings by college and Orange County high school students will be in the Library-Art building.

The True Adventure Section of Disneyland designed by former Santa Ana art student, Harper Goff is one of the exhibits in the College Library.

Physics Exhibit

Exhibits in Physics Building R include an electrostatic generator built of tin cans and scraps of wire by student Jack Hewes. Other exhibits will be an optical illusion done with mirrors; astronomical and terrestrial telescopes; a replica of the first jet engine; and a spectroscope.

In the Nature Room in Building R campus visitors will see fossils, shells, and skeletons collected in Orange County by Science Instructor Henri J. Lirette, students and friends of the college.

Collections Added

Recent additions to the nature room have been a 7 1/2 foot rattlesnake skin from Mr. Walter C. Warden, mathematics instructor at SAC; and a valuable collection of spears, arrowheads, pottery,

and shells collected in Wyoming by Mrs. Anna J. Brislawn of Santa Ana.

A collection of live rattlesnakes has been loaned by Jack Hagan, president of the Orange County Herpetological Society. Two desert tortoises have been loaned by Patricia Gordon, SAC science student.

A parakeet found on the college campus has been added to the Nature Room collection of live animals.

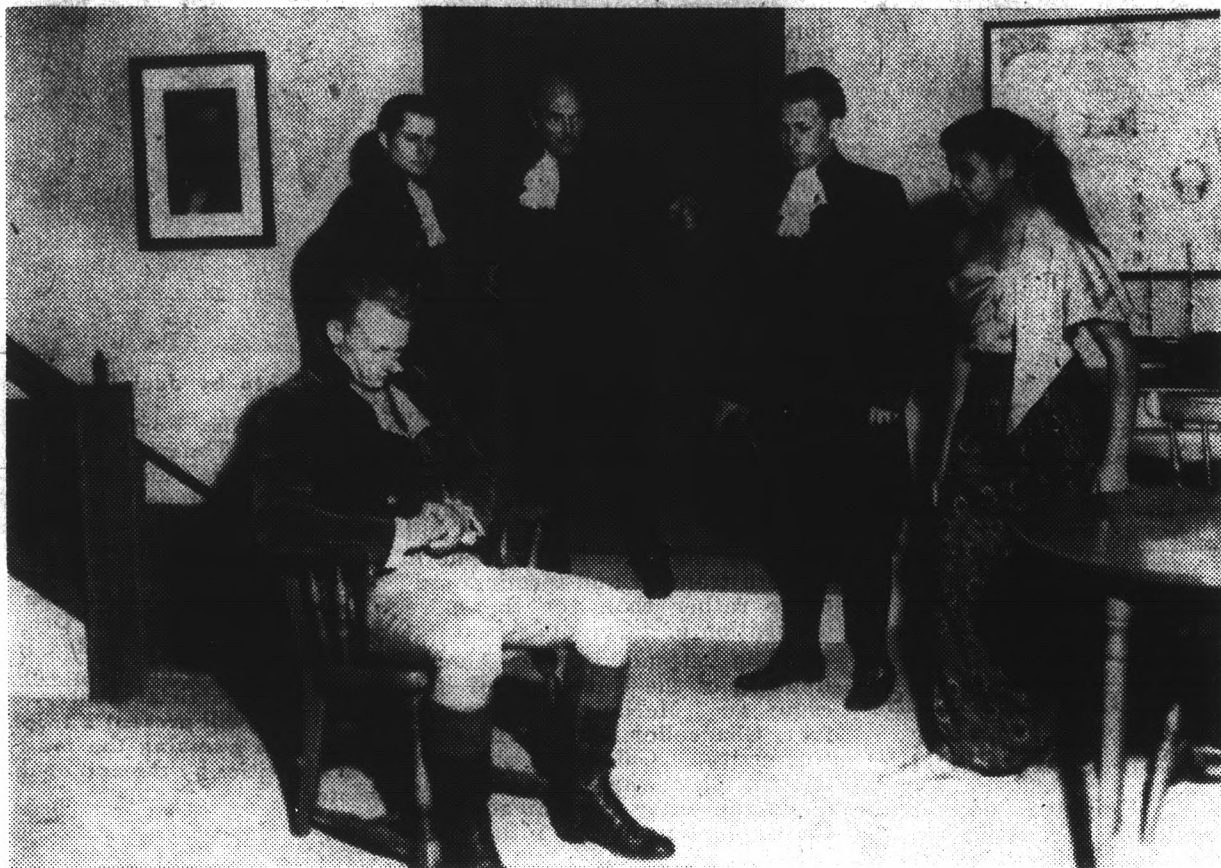

AWS To Plan Annual Spring Welfare Project

Next Monday the cabinet of the Associated Women Students of Santa Ana College, accompanied by Miss Agness Todd Miller, dean of women at SAC will meet with the AWS cabinet of Fullerton College to plan the annual spring welfare project of the two colleges.

Miss Virginia Cook, president of the SAC Associated Women Students said that electric wall clocks with large numbers would be suggested by the SAC group as a gift to the geriatrics wards of the Orange County Hospital. In past years gifts of the two colleges have included wheel chairs, a child's walker, and bed trays.

Last November the AWS cabinet of the Fullerton Junior College accompanied by Miss Marguerite Waters dean of women of Fullerton Junior College met with the SAC cabinet members to plan the annual Christmas Welfare party, which was given in a geriatrics ward of the Orange County Hospital.

AWS cabinet members who will go to Fullerton are Virginia Cook, Barbara Lawrence, Esther Balderrama, Nancy Heimerdinger, Diana Woolley, Judy Broumell, Jean Mishey, Loretta Patterson, and Katie Mobley.

Otis C. Knighton, coordinator of Vocational Education in the SAC Evening Division recently attended the 17th annual conference on Industrial Education in San Diego.

Over a hundred administrators, supervisors and teacher trainers met with Samuel L. Fick, chief of the California Bureau of Industrial Education and his staff to review the results of the industrial education program in California.

In California day schools there were 22,976 vocational students enrolled during the 1954-55 school term, and 61,402 vocational students enrolled in the trade extension classes, the latter being mainly in the evening schools, Knighton said. He added that the greatest increase in any one field was an increase of 30 classes in vocational nursing.

Mr. Knighton, and Lyman Goldsmith, vocational coordinator of the Los Angeles City School district were appointed to represent the Southern Area on the Advisory Committee to plan the 1956 Conference on Industrial Education.

Business Students In Cooperative Work Program

Ten students at Santa Ana college are participating in a Student-Business Cooperative Program, which was initiated here this year. Students work for various businesses as part of the regular work of the course, getting paid while they learn.

Bob Smeykal is one of the participants who is making good at his job. He has been made Floor Manager of the Santa Ana Food Market 1, 1216 West First Street. His duties consist of checking and ordering stock, assisting in making up newspaper ads and taking over as Manager when the General Manager is absent.

The program was set up under the guidance of Mr. Sam Dermenigian, Business Education instructor.

Literature Class Hears Children's Librarian

Miss Lota Blythe's Children's Literature class recently had an opportunity to hear a talk by Mrs. Frances Goddard, head librarian from the Santa Ana Junior Public Library.

Mrs. Goddard spoke on books for the upper elementary and teen age child.

Prexy Comments On Results Of Recent Chicago Trip

In a statement on his trip to Chicago early last month, Dr. Daniel C. McNaughton, director of Santa Ana College, said that in the conference on Higher Education, there seemed to be a strong trend in the direction of:

Renewed interest in general education, particularly the humanities; increased attention to the improvement of teaching at the college level; concern for the gifted student; and having students participate in a wide variety of discussions on current subjects.

Dr. McNaughton said that at the Junior College Convention common problems seemed to be: concern for late developing students; provision for the gifted student by way of an enriched program; making it more difficult to enter a transfer curriculum for students who have no great academic success in their past history; and more attention to using and manipulating facts for the benefit of both transfer and terminal students rather than for the mere acquisition of facts.

While attending the Alumni Reunion of the University of Chicago Dr. McNaughton learned from Chancellor Kimpton that the University of Chicago is abandoning the plan whereby gifted students can enter the University at the completion of the 10th grade.

Open House Is Climax Of SAC Fine Arts Week

Dr. Senescu To Lecture On Great Books

Tonight's Open House winds up the first SAC's Fine Arts Week.

The Fine Arts Week included a drama workshop on Monday night, an art workshop at the Library-Art building on Tuesday afternoon, a meeting of the Orange County English Teachers Association Wednesday afternoon, journalism day on Thursday, followed by an author's conference on Thursday evening. Tonight's open house will sponsor the other major departments on the SAC campus.

On Monday evening in the SAC student Union a dinner was held for the Orange County High School drama majors. Welcoming the students to the SAC campus was Dr. Daniel C. McNaughton, director of the college. Following the dinner a panel was held on "Opportunities in the Theater". Mary West, SAC drama major, was moderator.

Panels For Drama and Art

Following the panel, the groups saw a dress rehearsal of "The Wingless Victory". During the intermission the guests were served refreshments in the SAC library where they also saw a Disneyland model and an SAC art exhibit. Public performances of the play runs from Tuesday through tomorrow evening.

Tuesday afternoon high school art majors from Orange County schools saw displays of art, photography, and architecture in the Art Studios in Building Q. After refreshments were served Harper Goff, project director of Disneyland talked on "Opportunities in Art" and explained the "True Adventure Model" of Disneyland which he designed.

The Orange County English Teachers Association met in the Student Union on Wednesday.

HIGH JUMPER ROY GRAY leaps across the bar at the 5' 10" mark. He'll go over the 6' mark before the end of the season.

POLE VAULTER JOHN SCHICK crossing the bar at the 12' mark. He also throws the javelin with teammate Parker Damon.

HURDLER JON WINTER takes the 120 High Hurdles in stride. He's accumulated 17 points in conference competition thus far.

TRACKMEN ROUT ORANGE COAST 100 1-3-30 2-3; INDIANS HERE FRIDAY FOR FIRST HOME MEET

It's not easy to accumulate a hundred points in a track meet—unless the opponent is Orange Coast. Last year the Wardmen topped the Pirates 120½ to 10½. This season the Dons weren't so greedy, gobbling up only 100 1-3 of the possible 131 in their Friday meet on the Coast track.

Parker Damon, Bill Swisshelm, and Charlie Neal led the Don pointmakers. Damon took firsts in the Pole Vault and Javelin events to raise his total for three meets to 28 points. He crossed the bar at 12' 6", his highest in meet competition thus far.

A 9.8 in the 100 Yard Dash and a 21.4 in the 220 was recorded by Swisshelm for first in each of those events. His total now stands at 27 points. Neal just missed the 22' mark in the Broad Jump and ran the 120 High Hurdles in 15.5 to capture two firsts, then added another point with a third in the 220 Low Hurdles.

With the exception of the Discus, the Dons captured firsts in every event. And of the fifteen events, they made a complete sweep of five. Pierson Conradt and Mike Trainor finished second and third in the 100. Burritt Galloway and Abe Peralta followed Tom Noll in the 880. Ron Contreras and Conradt followed Swisshelm in the 220. Jon Winter and Neal followed Trainor in the 220 Lows. And the combination of Noll, Contreras, Lee Mathews, and Jim Giyer won the Mile Relay in 3:25.7.

Tom Frazier ran a 4:43.3 Mile, Mathews a 50.6 440, and Orlan Grunklee outran the Pirates in the Two Mile for other firsts in the track events. In field events, Larry Holcombe heaved the Shot 47' 5 1-4", and Roy Gray's 5' 10" in the High Jump wasn't tied this time.

The Santa Ana track will be given a workout this afternoon at 3:00 when the Dons meet the San Bernardino Indians in the fourth league meet for the Wardmen and third for the Indians. Last week Fullerton outscored the Warriors 76-55. The only mark the Berdoo club made in this meet that the Dons may have trouble topping is a 6' High Jump.

EASTER RELAYS SET FOR APR. 9

Next Saturday, April 9, twenty to twenty-two junior college track teams will invade Santa Ana College for the renowned Easter Relays. Field events will commence at 10:00 a.m., and the relays at 12:00 noon.

Last year the Dons captured third place among fourteen schools in the meet, behind Mt. San Antonio and L. A. Valley. A new national mark for the 480 Yard Shuttle Hurdles was set in this meet by the Don quartet of Dick Carson, Tom Noon, Jack McCosh, and Charlie Neal. They topped the previous mark of 57.3 with a 56.9.

Awards Presented at Basketball Banquet

Highlight of the first annual basketball banquet in the Student Union last Thursday was the awarding of letters to the members of the 1954-55 basketball club, and special trophies to each of the starting five.

Recipient of the Most Valuable Player award was Chuck Lewis. The Highest Scorer trophy went to Jim Stanley. Lee Mathews was presented the Most Improved Player cup, Erroll Petersen the Sportsmanship cup, and Del Garrett the Free Throw cup.

Guest speaker at the occasion was Johnny Wooden, head coach at U.C.L.A.

DON NINE OUTSLUGS INDIANS; DROP 11-1 CONTEST TO PIRATES

By Louis Barreto

The Dons and the Indians both exploded in their last time at bat, but Coach Bill Cook's team pulled through for their first Conference win, 15-11, at Memorial Park.

Three Berdoo hurlers gave up nine runs in the bottom of the eighth frame, wrapping up the contest for the Dons.

But the SAC nine experienced an ominous feeling in the top of the ninth when the Berdoo batsmen rallied for five runs off winning hurler Al Banks, who went the distance.

SAC experienced a lead for the first time in conference play by tallying two runs in the first inning, but after three frames went by the Indians advanced to a 4-2 lead. Coach Cook's team scored three runs in the fourth, and added another in the next frame to go ahead 6-4.

The Indians came back in the eighth and tallied two more, thus tying the game 6-6. But the nine runs scored by the Dons in the same inning sort of clinched the game.

San Diego Volleyball Team Tops Field In Sports Day Tourney

San Diego won top honors in the Sports Day competition at Long Beach last week. Host team Santa Ana finished in sixth place among the fifteen competing teams from Southland junior colleges.

Miss Kellstab's team tallied 87 points in its ten games, and held its opponents to 46. It turned in a 6-2-2 performance, including both Fullerton and Orange Coast among its victims.
